**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My current local provider offers prices that are more affordable than a national carrier. They also provide better documentation and help so I can better utilize and configure my router to get the most out of it. Additionally, their customer and technical service has been friendly and responsive.

Please don't shut them down and eliminate competition.
